**Notes:**

- 1) Includes receipt supported positions (1,248.5 positions, \$83.4 million total salary) in Highway Fund Budget Codes. Positions previously categorized as work order are now part of the appropriated count.
- 2) Includes allotment adjustments based on projected enrollment changes for the 2025-26 fiscal year.
- 3) The total number contains some non-FTE counts that may slightly overstate the overall total position count.
- 4) The FTE count represented in this table may not match department-level FTE tables included in the Committee Report. Department-level FTE tables are based on the Certified Budget while this table is based on a survey of budgeted positions completed in December 2024. FTE counts may vary due to a variety of factors including different reporting dates and failure to eliminate un-budgeted vacant positions.
